Projected
NEW
FAIITA
TEAM

REACH TO THE LAST MILE PARTNER

The New team will visit every Member State and will surely endeavor to reach every member association across India.

Zonal VP will create at least one event inline with Member Association in respective zone, where Zonal VP / Joint Secretary be a part of local events organized by State Federation/Association.

FAIITA GB & OB members are deemed invitees of such events.

INCREASE THE STRENGTH

Membership drive to be expanded across all States of India.

All the States are to be encouraged to establish a Federation, in turn, being FAIITA member, FAIITA will help transform the working style from State Association to State Federation.

Ease of communication to last mile

Penetration through federation only, so less energy and resources will be required at FAIITA level

A proper pyramidal structure across India

Easy management in all respects

ESTABLISHING A LIVEWIRE WITH GOVERNMENT

FAIITA needs to represent themselves with MEITY (Ministry of Electronics & Information Technology) on a regular basis as FAIITA is the largest body across India representing Information and Communication Technology business.

Most of the members of FAIITA falls under MSME . A concurrent connection with MSME (Ministry of Micro, Small & Medium enterprises) to achieve T3/T4 partners at last mile be benefited with new MSME government policies and MSME protections.

FAIITA shall opt to achieve a permanent place in the advisory board of MEITY to influence decisions on policy.

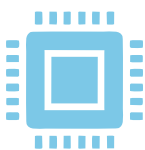

A permanent place in advisory panel of GEM

BUSINESS ENHANCEMENT

A new website and B2B portal for all the members of FAIITA to enable them selling across the country with new as well as surplus stocks.

Tri party agreement with different states, TAITRA & TCA by FAIITA to promote local manufacturing of computer hardware products, which is having a share of mere 4% out of all electronics manufacturing verticals.

Exploring new phenomenon and new off-shoots of ICT business and promoting the same within the members.

HANDLING OLS ISSUES WITH ZERO TOLERANCE

During the current festive season and in coming years FAIITA shall continue with zero tolerance agenda with all the five brands in concern with the predatory prices on OLS.

FAIITA shall be in continues communication with Ministry of e-commerce in respect to predatory prices and business hygiene over OLS as far as ICT products are concerned.

FAIITA should also initiate a dialogue with Ministry of e-commerce to protect the business interest and their existence and frame strict rules and regulations where OLS shall be restricted to discount the product then the MOP published by the OEM.

Product wise committees to be formed to keep a watch on price disruption on OLS.

SKILL DEVELOPMENT

FAIITA shall be tying up with SKILL NSDC – National Skill Development Corporation and help to design the courses according to the need of the ICT industry of India, to solve the manpower related issue at various scales.

Various training sessions on technical & commercial subjects can be designed and communicated to member associations for execution, for an example, GeM, GST, Digital Transformation... Etc.

Information on various webinars can be extended for member associations for participation enabling.

DISPUTE HANDLING & OUTREACH...

A special Dispute Resolutions Committee to be formed, to be focusing only on disputes of members associations happening with Vendors & NDs, other than OLS.

To expand horizon & footprint in other associations, FAIITA OB & Executive Members are supposed to actively participate in their events. This would evangelise FAIITA as India level Federation and earn recognition across all such associations.

FUND RAISING PROGRAMS

A strong FAIITA secretariat is must to plan and execute all the agendas mentioned above, fund raising must be done.

A small, but committed committee to be formed, and, to be given full liberty to raise the appropriate funds required for the term 2019 -21.

Huge help from government shall be sought, if a proper & sincere secretariat is established for aggressive liaison with government departments as per our requirements.

Sanjeev Walia

a Brief Profile

A seasoned entrepreneur performing actively in the Northern Region of India in the field of IT since 1989 had steered this career when IT industry was in its infancy.

EDUCATION

A graduate in Commerce from Panjab University in 1987 worked as an articler with leading CA to start his career and soon realized his ambition to grow bigger that once upon a time he could himself hire qualified CA to take care of his accounts.

CAREER & BUSINESS

As an Entrepreneur took early lead over others to join IT sector on a serious note, as IT Education as starter. He undertook contracts of various schools to impart quality education into Information Technology under "Class Project of Govt. of India" and soon established multiple branches in various cities of Himachal & Chandigarh. As an expansion of his portfolio, started trading business in Softwares and became a one stop shop for all the softwares across the Northern Region, soon this Trading Business assumed the position of main business activity. With huge customer base among individuals, corporates, institutions and Govt. Organisations, he developed further interest in hardware business, by setting up HP World, HP Printers VCP, Dell Store and multi brand commercial range of Desktops/Notebooks/Laptops/AIOs for Govt. & Institutional Sales. The companies operating under his able leadership together clocked a turnover of 48 Crores in FY 19-20 and are progressing towards further growth of 125% YoY.

AWARDS & ACCOLADES

Awarded many times the Best Performing Partner of Microsoft, 200% Achiever of HP Printers Business in Channel Sales. Honoured many a times by numerous Religious/Social Bodies in recognition to his selfless services towards humanity.

SOCIAL & PHILANTHROPY

Sanjeev Walia is a known name in all the channel partners circles at each city of Punjab, Himachal Pradesh & Chandigarh UT. With his philanthropist approach to help others has won him great reputation among the entire channel in upper Northern India. He remained natural choice as President of Chandigarh Computer Traders Association for 11 years in a single stint, his acceptability among the partners led him to be among the founders of "PACT – Punjab Association of Computer Traders" a statewide parent body of all the district associations of Punjab & Chandigarh. He assumed the chair of President of PACT and this year has been unanimously nominated to be Chairman of PACT for year 2019-2020. Appreciating his escalation to State Level Body, The Chandigarh Association equivocally honoured him to assume the chair of "Lifetime Chairman – CCTA". He had been always at forefront to resolve the matters among the Channel Partners, OEMs, T1/T2 partners and his opinion & verdict carries a lot of weightage among every stakeholder.

Apart from this, a very sensitive and concerned toward the Human race, he has been torchbearer to organize blood donation camps during last five years and has been instrumental in collecting many hundreds blood units. A kind hearted individual he motivated the channel partners of Chandigarh to offer a handsome amount to the family of one IT worker who lost his life in a fatal accident. He also contributes a lot of religious organizations, orphan homes, old age homes and childcare.
